Dear Praying and Supporting Friends.

## Ministry News

God has blessed us in a tremendous way. God has miraculously secured us a loan for \$100,000. On faith, we have signed a promise of purchase for our building. We still need \$11,000 to make our complete payment. We are trusting that God will provide everything we need so we can complete the purchase. We organised the church legally and are finishing up the paperwork on this so that the building will be purchased in the name of the church. Pray that God will supply both our financial needs and will allow our paperwork to be finished up correctly for the purchase.

God has blessed us recently with more visitors than normal at church. One of the visitors came because her friend told her we disciple people in our church. She grew up in a Protestant church. She was confused and questioned if she was saved. After her first lesson in discipleship, she realised she had truly accepted Christ but had always been taught she could lose her salvation. She was so happy to hear she was truly saved and it was secure. Pray that she will continue to grow in Christ through the discipleship program.

## Escola Compaixão

Our homeschool ministry is blossoming despite the election of a communist president. We have had a growing interest in homeschooling. More and more parents are taking the stand to rear their children for the Lord. We ask you to pray for their safety as it is becoming dangerous to homeschool now. We had asked you to pray for the health of one of our ladies, Carol. Praise the Lord, she was able to start her homeschool year. Her three children can enjoy the benefits of Christian education with their mother, thanks to your prayers.

Thank you for your faithful prayers and support.

In His Service,

Bryan and Rebekah Johnson
