Dear Praying and Supporting Friends,

Ministry News

In the last week of August, we had four people graduate from discipleship. Praise the Lord, all of them have taken on another person to train and disciple. We are excited to see this step of growth in our church family.

We have been blessed with a number of visitors at church as the year has come to a close. Pray with us that we can get them to return. We are still praying for Juliana to come back and visit our church again. She has continued with her counseling.

We have taken a brief furlough and were blessed to visit old friends and churches in New England. We were able to share the gospel with several people on the trip. It was a blessing to see our faithful supporters.

Family News

The purpose of our trip to America was to welcome our first grandchild. James Adler Johnson was born on November 15, 2024. He was born to our son, Jeff, and his wife, Rebecka. They are currently on deputation for Brazil. Praise the Lord, they now have 40% and are hoping to finish off the rest in this next year.

Prayer Requests

Pray with us as we are hoping to get the country of Brazil to pray for revival in 2025. We have many pastors who have committed to begin to pray for this in Brazil.

Also, be in prayer for our son Jeff and his family to finish raising their support as quickly as possible so they can join us on the field. They will be a great asset to our ministry.
