Dear Praying and Supporting Friends,

Ministry News

We hit the ground running after having been in the States for the birth of our grandson, and the ministry is doing great. We have had visitors every month. God has been blessing with whole families visiting. We are working hard to follow up on all the visitors we had when we were in the States, as well as the new visitors that have been coming. In fact, we have more men than women on average in our church. We are excited to see family units coming and growing in the Lord.

This year we are praying for revival in our homes, church, and our nation. We have been working and praying hard to that end. Several other churches have taken up the challenge as well. Each Friday, I launch a short live video challenging our church and others to seek God's face in a specific way for revival. Pray with us that revival will fill our homes, churches, and the country of Brazil.

MBIB

We have two new Brazilian missionaries who have contacted us about joining the mission. We have our interviews this month. One couple will be working with the deaf here in Brazil. This is a huge area of need. It is one of our most unreached people groups in Brazil. The other is planning on going to Columbia. We are excited for them and are looking forward to their future.

Prayer Requests

God has been good, and we are staying extremely busy. We are seeing church growth on all fronts. We are so excited about what God is doing in our church and through our ministry in other churches. Here are some upcoming events you can be in prayer for.

- Our Ladies Spectacular on April 5
- Our Missions Conference will be in May
- Our National Pastors and Missions Conference will be in July.
